GALA

GALA

Gala is the collection that celebrates the elegance of unique occasions. The Lanificio F.lli Cerruti way to enjoy life with style. Created for ceremony, gala, evening and cocktail, the collection finds its highest expression in the jacquard weaves. Made in pure wool and wool-silk, they are crafted through a complex jacquard loom technique that creates unique and sophisticated designs. Lurex yarns and micro-structures further enrich the range, adding brilliance, depth and character. Alongside them, other refined weaves complete the collection with lighter and softer fabrics, while luminous satins combine body and finesse to define a sophisticated luxury.

Noble fibres: Pure wool, refined wool-silk blends and mohair variants for an authentic and contemporary luxury.

Light and depth: Motifs enriched with lurex and precious prints that bring movement, brilliance and sophistication to the fabrics.

Jacquard excellence: Designs created on jacquard looms, a complex craftsmanship that adds character and uniqueness.

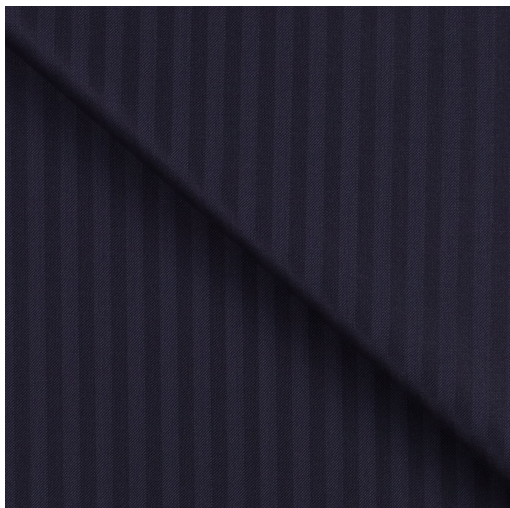

Versatility of style: A collection designed for ceremony, gala, evening and cocktail, from the formal tuxedo to the most creative jacket.

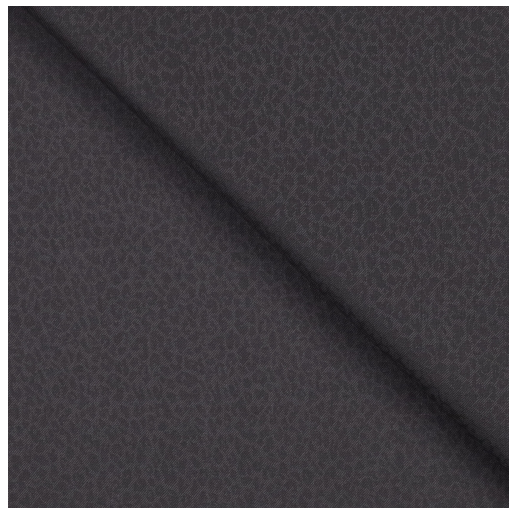

In the mood to dress up and have fun.
